RESERVATIONS

To help provide you all with the best service and dining experience we are strongly encouraging reservations in the 19th hole. Reservations help us control staffing for a shift and even more they help us gauge how much food to prepare so we ensure your food is fresh and items were made to order. We will never turn you away for not making a reservation, but we ask that you help us control the outcome of your Club's bottom line when you can. Thank you so much for taking the time to read this and we wish you all an excellent December.

President's Message

Yep, it's coming!

Better watch out, better not cry! Thanksgiving, and I hope everyone had a wonderful one, is in our rear-view mirror. So, with that being said, you know what happens next! Yep, Christmas will be here before you know it!

I must admit, Christmas was always a pretty cringeworthy time for me. What do I (we) buy everyone in the family year after year. And yes, I mean everyone. No drawing names in our bunch. Oh no! Gifts for everybody. Moan. But things have changed. Checks for all the grown kids. They love money! Happy me!!!

But I have always liked everything else associated with this Holiday. The decorations, the Christmas music you've heard a thousand times, and yes, the gathering together of family and friends. Good times to be sure.

The Club, YOUR Club, is jumping during this time of year. Andrew and all the staff are doing a magnificent job and receiving accolades from everyone they serve. How fortunate we are to have such a wonderful group. Please remember them all when considering Christmas gifts for the deserving people you know.

And speaking of gifts, let's not forget the greatest gift of all, the birth of Jesus Christ! Even though scholars have determined that December 25th is not the actual day, it is the designated day for us to celebrate. And celebrate what we do. So, remember, while watching young and old embrace this festive occasion, send up a prayer of thanks for everything you have been truly Blessed to receive. Merry Christmas everyone!

Sincerely,
George III, Club President

Manager's corner

Dear Membership,

Your Club has been transformed into a Winter Wonderland for the holiday season. I hope you like the new additions and can feel all the love poured into the decorating by staff and volunteers. We really try to make the Danville Golf Club as festive as possible during this time of year. Please come out and join us for lunch or dinner and enjoy the ambience.

I really appreciate all the support over the month of November and hope you all had a great Thanksgiving. For those that were able to share the holiday with us at your club, we appreciate you and hope everyone loved the menu we worked so hard to provide for you and your guests. I was able to take a little of the leftovers home, and my family and I loved it. Thank you, Chef Ron and Chef Jon, for all your hard work.

We still have multiple slots available for Christmas parties if you or someone you know may be interested in having a Holiday Celebration. Please reach out to me or Shirley for more details. We always strive to have a super busy December and finish the fiscal year out on a high note. We could really use your support in these next few weeks to help finish the year with an excellent December.

Lunch with Santa will be held on December 15th from 12-3pm in the Ballroom. Please sign up and bring a friend and their kids too. Any chance to show off the club to a possible new member is welcome.

From my family to yours, we wish you a very Merry Christmas and a Happy New Year.

ENTERTAINMENT/POOL/ SPORT COURTS/FITNESS NEWS

Happy Holidays and Merry Christmas!!!

The holidays are here, and your Club has lots of activities for the membership and their families!!

Lunch with Santa will be on Sunday, December 15th from 12:00-3:00. Bring the family and grandparents to have a nice lunch and watch the kids tell Santa what they want and need for Christmas. That should be a blast.

On Dec. 31st, your Club will be having a Six-Course meal with live music by Real Jazz. Call your friends and reserve a table for a fun evening.

Afterwards, cap the evening off in the 19th Hole for a couple of drinks with Bet and watch the ball drop all around the world.

Your Club is hosting many Holiday parties so make sure to call for reservations prior to visiting the Club.

Have a great Christmas and enjoy the holiday season!!

John Mason

WGA November News

It is hard to believe 2024 is almost over and even harder to believe my time as WGA president has come to an end. Kay Price will be leading our terrific group of golfers next year and I know she will do a wonderful job. Any lady golfers should consider joining our association. We have 9 hole and 18-hole groups each Tuesday and welcome beginners. We are blessed at DGC to have a large group of women golfers, and we really do have a great time!

Our end of the year scotch foursome was well attended and the weather in November has allowed play each Tuesday. Hopefully, there will continue to be warm days to keep our game in shape for next season. We will begin with a coffee in March and a kickoff scotch foursome in April.

Thanks for the privilege of leading such a delightful group. It has been a pleasure!

THE **GOLF** **PRO'S CORNER**

We hope everyone enjoyed the time with their families over the Thanksgiving Holiday and we look forward to some golfing weather throughout the month of December. We usually have a significant amount of members bringing guests from now until the first of the year, please remember to inform your guests of our dress code.

We encourage you to stop by the DGC Golf shop to see some of our newly arrived inventory. As always, we are currently stocked with balls, gloves, shoes, caps, and accessories. We also have a wide selection of updated apparel. US Kids golf clubs are available for that perfect fit. We encourage anyone who may need an item specially ordered to place it now considering some shipping and availability delays. If you can't decide on the ideal gift for the golfer in your family, Gift Certificates for Golf Shop merchandise or private Golf Lessons always make that perfect gift!

Just because the temperatures continue to drop, and days are getting shorter, doesn't mean we put away the clubs until Spring. It's important to stay golf ready throughout the Winter, even on the nastiest of days by stretching, doing light cardio, and taking swings with a club or an Orange Whip.

This is the time of the year to create separation from the competition, as most people tend to shift their focus away from golf. It's a great opportunity to begin a speed training program with the Stack or Super Speed Golf. We offer both programs as well as golf fitness.

The Stack Accelerate your game!!!

As we enter the last month of the 2024 golf season, we currently have two players with a Hole In One that participated in the annual club. Currently, we have two Hole In Ones for the '24 season. Gil Stovall and George Willoughby both on #6. Also, congratulations to Chad Anderson for his Double Eagle on #5. Will there be anyone else to score a 1 and join Gil and George in this annual competition?

Pro Shop hours are currently 8:30-5:30 and will be monitored daily throughout the Winter months. We will ultimately have days where frost will be a factor and certain times that the greens will have to be covered. Please stay connected with your email for postings of delays or closings.

We wish everyone a safe and Happy Holiday! Merry Christmas!
