RESERVATIONS

To help provide you all with the best service and dining experience we are strongly encouraging reservations in the 19th hole. Reservations help us control staffing for a shift and even more they help us gauge how much food to prepare so we ensure your food is fresh and items were made to order. We will never turn you away for not making a reservation, but we ask that you help us control the outcome of your Club's bottom line when you can. Thank you so much for taking the time to read this and we wish you all an excellent January.

President's Message

Hello Fellow Members, and Happy New Year!

Yep, just like the summer that came and went in the blink of an eye, Thanksgiving and Christmas that were a blur, 2025 came crashing through the front door. I warned you!!! Once July 1st got here, the rest of 2024 would be a downhill slide.

Regardless of how fast 2025 arrived, I hope it will be a good one for you and your family. Mine is healthy and that is all that really matters, isn't it? I pray you and yours will be happy and healthy as well.

This will be my last letter to the membership as your President. I will be staying on the Board until my term runs out in 2 more years, but I will be relinquishing my duties as President right after the annual meeting. Personal responsibilities are pulling on me and I need to give them the attention needed.

It has been my pleasure to serve you and the Board. I have learned a lot about the inner workings of our Club and feel confident that this wonderful Board will do its best to be sure that YOUR Club thrives for many years to come.

2025 will be gone before you know it. My hope is that during this year we will all do everything we can to assist Andrew, Craig, Adam, Kathy, and our magnificent staff, to help the Danville Golf Club be the best that it can be. Happy New Year and may God Bless each one of you!

Sincerely,
George III, Club President

This will help us pay our bills on time! Thank you for your continued support of YOUR CLUB

Manager's corner

Dear Membership,

Happy New Year to you and your families. We have had a great year at your Club. It was full of exciting parties, special dinners and social gatherings. The New Year's Eve dinner was a huge success with an outstanding menu and a beautiful group of people. We greatly appreciate your support, and I pray that 2025 is even more fruitful for you and your Club.

The Christmas décor has been taken down and the weatherman says we might be receiving some cold days ahead. Fingers are crossed for a few snow showers. Adam Rawley, Superintendent, and his crew will be working with me to ensure a safe parking lot for you when you visit. We have been cleaning the gym and have all the equipment working for you to achieve all your new year's resolution goals. Please contact Andrew Walker if you have any concerns or see anything that could be adjusted to assist with your grit in the gym area.

We may be forced to close the course and cover the greens from time to time due to mother nature, but our kitchen and service team are always here to serve you a delicious beverage or meal. We are hosting another Butcher's Block on Saturday the 18th and Oyster Night on Saturday 25th. Please sign up as soon as you can by contacting Shirley Wade.

kindest Regards, Andrew Walker

GOLF

THE

PRO'S CORNER

We want to wish everyone a Happy New Year and we are excited about our imminent 2025 golf season. A big thank you goes out to our membership for remembering the Pro Shop Staff with Christmas gifts. We hope everyone had a great time with family and friends.

Our goal each season is to provide our Club with paramount service as we begin our new year in 2025! Our start into this new year has begun with colder temperatures as we hope to have some milder days ahead in order to keep the greens uncovered. The greens crew has done an excellent job keeping your course clean of leaves and debris in order to make our winter golf more enjoyable. Please adhere to the daily cart rules and remember to keep your carts 30 feet away from the greens and surroundings. Carts should remain on the paths around all teeing areas as well as all of our par 3 holes. Traffic in these areas can retard the growth of our bermuda grass as it comes out of dormancy in the spring. We will only restrict play to cart paths when necessary. Our golf course is making great progress in recovering turf in our playing areas, so please acknowledge any directed cart rules that may apply for a given day.

The off season is a great time to start or continue a fitness routine. There are many exercises for golf and low impact cardio to keep our bodies in shape through the winter. Staying consistent with a good routine will pay great dividends for your golf game as well as your everyday well being. Yoga is probably the best exercise we can do for flexibility, strengthening and stability.

We encourage members to consider our range plan for 2025. Prices for the Individual Plan & Family Plan will remain the same as the price per token will increase. A new higher quality range ball will be used this season. 500 dozen have already been purchased (Titleist Tour Soft). We will continue to provide the best product along with ultimate service to you and your guests.

Jeff Haley made the first eagle at DGC for the 2025 season with a 3 on hole #5! Way to go Jeff! Hope this will be the first of many more to come!

Hope to see you all soon! Spring is around the corner!

WGA January News

Happy New Year!

The wrapping paper is put away, Santa is gone and here we are in 2025.

I'd like to thank Becky Bolton for her WGA leadership for the last two years. Becky is a great Ambassador for golf, her enthusiasm for the game is infectious. Big shoes to fill! We had a steady number of players every Tuesday in 2024...so many laughs, so much fellowship. We missed a couple of regulars due to surgeries, but I hear they are well and will be back this year. Yay!

As we begin another year, I'd like to invite all lady golfers at DGC, who are not yet members and haven't experienced just how much fun ladies golf can be, to become part of our wonderful group. I assure you the competition is friendly, the laughter contagious and the bonds of friendship irreplaceable. Our Winter coffee will be held on February 11th at 10 am. Won't you join us to find out what WGA is about. Any age, any golfing level are welcome. Text me at 4344892814 or email Kpricewakg@yahoo.com if you'd like to attend. We would love to see you.

Kay Price President WGA
